# *Welcome to* **At the Shire**

Hidden in the beautiful Piney Woods of East Texas, we are located near you on the edge of the untouched Sam Houston National Forest, where we have carved out an amazing space to give your wedding an authentically magical setting.

We have three huge connected Nordic Tipis with an elevated hardwood dancefloor, hand-built poplar banquet tables, an indoor stage, and staging areas for both buffet, sit-down catering, and bar service. A fairy light path winds through the deck, guiding you to the tipis and setting the scene for an enchanting entrance.

On our outdoor ceremonial stage, we have erected a naked tipi covered in fairy lights with aisle seating consisting of long cedar benches for an authentic woodsy wedding experience.
