

LOVE GARDEN

A romantic outdoor garden setting, likely for a wedding or celebration. The scene is filled with numerous hanging lanterns, each containing a white candle, suspended from trees and poles. The lanterns are made of wire mesh and glass. In the background, there are white tables and chairs set up on a green lawn. The overall atmosphere is warm and intimate, with soft lighting from the lanterns and natural light from the trees. The text is centered in the middle of the image.
